Offering a luxurious, pleasant Jakarta fine-dining experience, Amuz Gourmet Restaurant is ready to amuse you from the very moment you step into this restaurant. Strategically located at Sudirman Central Business District (SCBD), Amuz Gourmet Restaurant is cozily nestled in a corner of the second floor of the Energy Building, which makes this fine-dining venue a perfect getaway from the crowded and busy streets of Jakarta. Amuz also proudly exhibits artwork from renowned Indonesian painters, Affandi and Hendra. Both painters, rooted in the post-WWII movement, have produced paintings that capture the spirit of the time at which they first appeared and are extremely eye-catching. the tube and applied with his bare hands rather than conventionally with a brush to create an unforgettable impact. Hendra's paintings are totally infused with his lifelong dedication to the fight against poverty, injustice and colonialism. Many of his works are arresting portrayals of the lives of ordinary people using primary colors.

If you are looking for a romantic candle light dinner, AMUZ is the place to go. The contemporary romantic, chic Parisian interior, features Eiffel Tower-inspired ironwork, unique teardrop-like chandeliers. The exclusive interior at Amuz, designed by Idris Samad, is an ideal setting for a perfect romantic dinner.

The open kitchen allows the chefs to display their culinary skills. Amuz Gourmet Restaurant offers contemporary French cuisine accompanied by the finest of French, as well as other European and New World wines, perfectly stored in a walk-in glass cellar. Amuz also offers an adjoining bar and lounge to enjoy special cocktail creations or a wide selection of wine by the glass.

With over 20 years of experience in French cuisine, Chef Gilles Marx leads the
